Dear Parents,

We are very excited that our current school year is going smoothly! We have 3 fewer full-time students this year by choice to ensure the health and safety of our students. We are so grateful that parents have been helping out with our classroom wish lists this year, this is very supportive of each classroom and its specific requests. While it seems like this year has just begun, it is time to look ahead to **September 2023** enrollment at Purpose School. Attached you will find a pre-enrollment form for the school year 2023-2024.

This pre-enrollment form is going out first to currently enrolled students and their siblings. Please make sure to fill out a form for each child you wish to enroll next year. Additional forms for siblings can be obtained in the school office or on the Purpose School website. A non-refundable registration fee of \$75.00 should accompany each form. Currently, enrolled students and their siblings will receive priority enrollment status until Wednesday, November 23, 2022. Unfortunately, this priority cannot always guarantee the first choice due to limited class sizes. For this reason, all parents must include a second-choice session and submit the form and fee to the office as quickly as possible. Siblings of currently enrolled students receive second placement priority.

In the Beginnings, Star and Rainbow Rooms ages may vary slightly as we try to give in-house families their first choice. For the Discovery and Sunroom, we recommend that when possible students attend 3 or more days to get fully prepared for kindergarten.

If your child is currently attending the Discovery or Sunroom and has a summer birthday, check in with your child's teacher about a possible extra year at Purpose School of growth and maturity before entering public kindergarten.

We will spread out the yearly tuition rates over 10 payments. Yearly tuition increase helps to cover the rising supply (art, cleaning, materials, toys) costs and teacher salaries.
