

Dear Parents,

This week the Purpose School staff has been busy preparing activities and setting up classrooms for next week's reopening; all the while putting the health and safety of children and staff first. As directed by EEC (Department of Early Education and Care) we have submitted our reopening plan and it has been approved. We have had meetings and trainings on cleaning, disinfecting, social distancing (when possible) and the importance of frequent hand washing. We are confident we are ready to begin.

To avoid large group gathering we are staggering drop off and pick up times and using five different doors to enter the building.

SUNROOM: will enter and exit by the Fellowship Hall back door (**door #3**) on Common Street.

DROP OFF: 8:25 and PICK UP 11:50 or 1:00 if staying for lunch.

DISCOVERY ROOM: will enter and exit at the Purpose School front door (**door #2**) on Church Street.

DROP OFF: 8:25 and PICK UP 11:50 or 1:00 if staying for lunch.

BEGINNINGS ROOM: will enter and exit at the ramp door (**door #7**) on Common Street.

DROP OFF: 8:25 and PICK UP 11:50 or 1:00 if staying for lunch.

RAINBOW ROOM: will enter and exit at the Church Office door (**door #1**) on Church Street.

DROP OFF: 8:35 and PICK UP 12:00 or 1:00 if staying for lunch.

STAR ROOM: will enter and exit at the front door of the church sanctuary (**door #9**) on Main Street.

DROP OFF: 8:35 and PICK UP 12:00 or 1:00 if staying for lunch.

If you are running late for your designated time, please wait until 8:45 and use The Purpose School door (door #2) on Church Street.

Important Reminders...

- Both parents and children must wear a mask at drop off time and children's masks must have their name on it.
- Print out and fill out the health screening form and hand it to the teacher daily at drop off.
- September 9/9- 9/11 there will be no lunch. Children should bring a snack labeled with their name and water bottle. Please make sure snack and lunch are labeled in two separate bags/boxes beginning September 11, 2020.
- If you have not already done so go to Facebook and search Purpose School 2020-2021 and request to join this private group. On Tuesday, September 8th each classroom will post a personal welcome and tour of the classroom. Kristie will also walk around the building and point out different drop off and pick up locations. This will serve as our remote visiting day!
 - Attached is the classroom teaching teams for 2020-2021
 - A copy of the NEW Health Form to print out and bring to school each day!
 - A copy of the new Covid permission statements to be signed and returned.

Thank you so much for taking this important journey with the Purpose School! We are very excited to return and we know that your child will love being at school!
