

PURPOSE SCHOOL'S PEANUT/NUT SAFE SNACK LIST

The school year 2023-2024

This list is for parents who wish to send in a birthday treat for the classroom. All birthday treats coming from parents must come from this list. Please read the labels carefully to double-check that this product is still nut-free. This includes labels that read "May contain traces of peanut/nuts". Items for birthdays must be brought in the original packaging so that teachers may do a final check for allergens. Please let your child's teacher know in advance that you plan to bring in a birthday snack. For classroom activities or holiday celebrations, teachers may plan something that is not on this list but will be NUT FREE. In any classroom that has an allergy student, the parents of that student will approve the item before it comes into the classroom for consumption or as an activity. We will always post what snack was served in the classroom on the day that it was consumed. Thank you for your consideration and support in keeping all Purpose School children safe.

Be careful and read labels when packing snacks and school lunches as well. Daily snacks are provided by the student's family.

The list below is used for Birthday celebrations and some holiday parties/activities.
